

# THE DRAMA TEACHER ACADEMY

## PROFESSIONAL DEVELOPMENT FOR DRAMA TEACHERS

The Drama Teacher Academy is an online, technology-based learning platform designed for the 21st Century drama teacher. It provides professional development that is high quality, personalized and evidence based.

## DISTANCE LEARNING RESOURCES

The DTA has digital materials, self-directed online units, PLCs on Distance Learning, and lesson plans that can be used remotely. We are also offering free access to the **Practical Technical Theatre** digital video series with your DTA membership.

## A DIGITAL RESOURCE DATABASE

The resource database of the DTA is constantly updated and includes instantly downloadable classroom material such as assessment tools, teacher guides, and multimedia items that can replace the traditional teacher's editions of textbooks

## CURRICULUM LIBRARY

The Drama Teacher Academy provides members with a substantial and expanding library of curriculum and lesson plans, created for and by Drama teachers, that are aligned to State and National standards.

## A PROFESSIONAL LEARNING COMMUNITY

The Drama Teacher Academy is a professional learning community where members interact virtually, in real-time, to share best practices.

## FEDERAL FUNDING OPPORTUNITIES

The DTA meets the requirements detailed in the Every Student Succeeds Act (ESSA) of 2015, specifically Title II and Title IV.
